ABOUT US

BLUEWHALEXP ELECTRICALS INDIA PVT LTD has been delivering reliable electrical control panel solutions since 2008. We specialise in HVAC and Basement Ventilation panels, offering design, assembly, testing, commissioning and after-sales support for commercial, residential and industrial projects across India.

Building safer, smarter and healthier spaces since 2008.

OUR MISSION

To deliver reliable, innovative and cost-effective electrical control panel solutions that enhance safety, energy efficiency and indoor air quality for our customers and partners.

OUR VISION

To be India's most trusted and preferred partner for HVAC and Basement Ventilation Electrical Panels, known for engineering excellence, customer satisfaction and a greener, healthier future.

CERTIFICATION

CPRI APPROVED

Our panels are designed and manufactured as per applicable Indian standards and are CPRI approved.
